CREATED FROM OUR
HEART AND SOUL,
INSPIRED TO COEXIST
GRACIOUSLY FOR
GENERATIONS TO COME.

Deep from within Oceanside Glasstile's
artisan heritage, emerges definitive
design expressed through a timeless
color palette and clean mosaic formats.

Blue confidently offers a high
percentage of post consumer
recycled content,
contributing to LEED points
and green projects with the
highest quality, handcrafted mosaics.

Blue™ mosaics are face mounted on paper and have both iridescent and non iridescent surface finish.

All three liner profiles (Rise, Virtue and Unity) have the top edge polished for use as a surface trim solution. This additional feature will facilitate a clean and seamless detail in applications where the liner finishes out the mosaic field.

FIELD SIZING			
LINER	FORMAT	SHEET SIZE	LF. / PIECE
Rise	7¾" x 1½"	N/A	0.64
Unity	7¾" x ¾"	N/A	0.64
Virtue	7¾" x ⅝"	N/A	0.64

BEAUTIFULLY SUSTAINABLE

blue™ continues where green has not been able to go, as a larger revolution that includes social and economic justice, as well as a personal sustainable lifestyle. As Oceanside Glasstile progresses into a new decade so does their philosophy, the focus has shifted from being green to being blue™.

blue™ hits the market boasting post-consumer recycled content percentages as high as 80%. This characteristic lends itself to LEED accreditation and does so with the highest quality, handcrafted mosaics. The mosaic line is responsibly manufactured with recycled bottle glass sourced through curbside recycling programs. blue™ is sustainably handcrafted in North America and priced competitively for its class.

MAINTENANCE

Oceanside Glasstile is proud to introduce Oceancare, an innovative line of sealing and maintenance products for tile and natural stone. Developed by Oceanside Glasstile using cutting-edge chemical technology, Oceancare products are highly effective, easy to use and environmentally friendly.

Oceancare products address the most common concerns associated with tile and natural stone maintenance and, when used in conjunction with one another, provide a complete maintenance solution without the damaging effects of bleach, acid, ammonia or abrasive cleaners. While Oceancare is specifically designed to work with Oceanside Glasstile and other glass tile products it is also an excellent choice for most tile types, including porcelain, ceramic and natural stone.

For product availability and pricing please contact an Oceancare dealer or visit our website www.oceancareproducts.com.
