

# PRATT & LARSON

TILE HANDMADE IN AMERICA

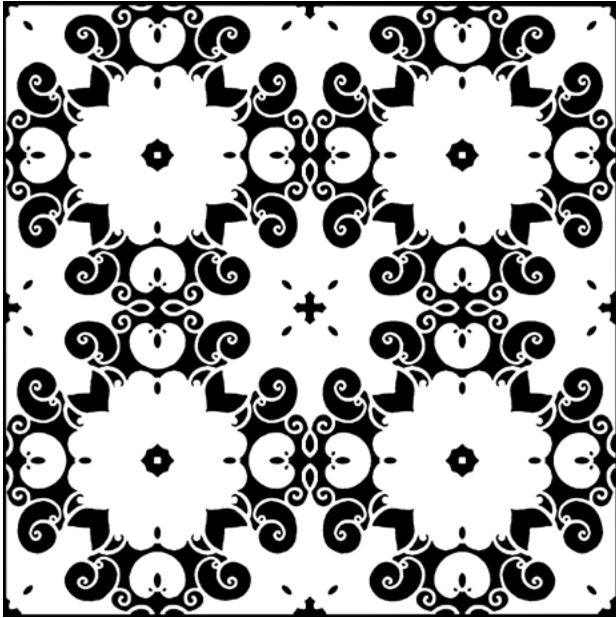

EMBOSSSED SERIES

Pratt & Larson is very pleased to introduce our Embossed Series. These beautiful tiles use intricately carved lines to create underlying patterns. The classic designs are gorgeous when glazed monochrome in any of our standard colors. Handpainting Embossed tiles using the [Polywash](#) technique accentuates the impressed patterns further. With this Embossed release, we are also expanding our [Polywash Palette](#) options to include 8 new bright, fun accent color options. We now have a total of 16 stunning accent colors to choose from!

Please visit our [website](#) to see these 4 new designs along with glazed examples.

Thank you for your interest in Pratt & Larson Tile. To obtain pricing and ordering information, please contact a dealer near you by visiting our dealer locator page on our website <http://prattandlaron.com/locate-a-dealer/>.

**NEW POLYWASH PALETTE**

The newly expanded Polywash Palette now includes 16 accent colors that can be used on any of the Embossed or Scraffito designs. Polywash is only available in Watercolor glazes. Please refer to our glaze usage chart for recommended Watercolor applications

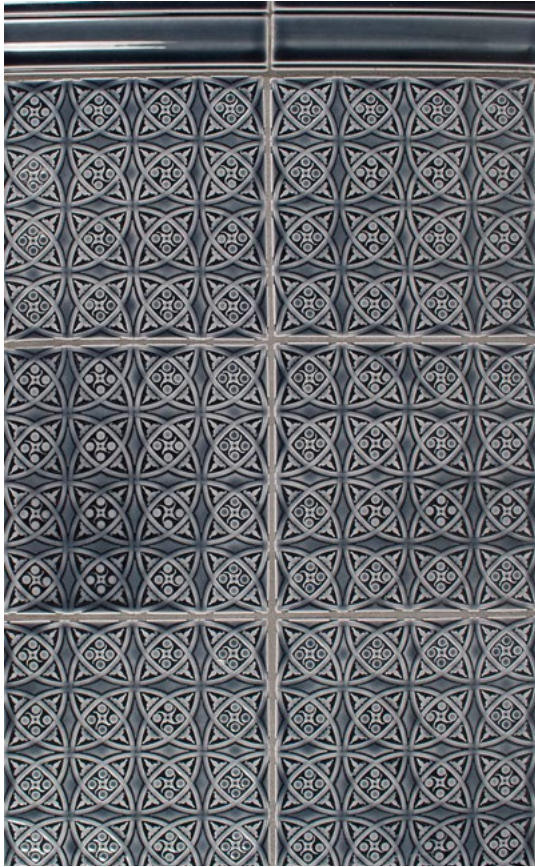

Two colors are used in the Polywash technique; the contrasting underglaze or accent color which recedes into the carved line along with the overglaze or top coat which covers the entire surface of the tile. The 16 available accent colors are shown below in PW1. You may use any of our existing Watercolor glazes for the overglaze color. Using the lighter Watercolors for the overglaze shows design details more clearly.

When ordering Polywash, use the code PW in front of the standard Watercolor overglaze number, followed by the desired accent color. For example, to order Polywash using W1 with Mushroom, please specify "PW1 w/mushroom". Polywash pricing is the same as polychrome pricing.

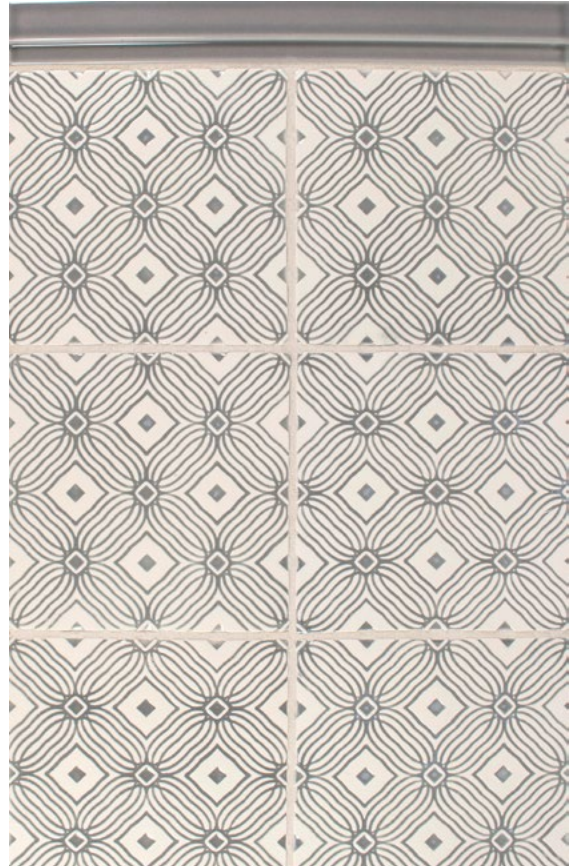

Polywash Scraffito & Embossed tiles are hand crafted and hand painted. Range and variation in color within the carved line is to be expected. Please order a job sample for approval.
