- Interiors Walls
- Light Duty Floors (Matte White Only)

KEY USAGE & INSTALLATION NOTES

- These tiles are made with a semi-absorbant talc clay body and particular attention should be paid to installation of an absorbant clay body.
- See **STM Tech Info** at [sonomatilemakers.com](http://sonomatilemakers.com) for detailed installation information on large format sizes.

ASTM RESULTS

TEST#	TYPE OF TEST	RESULTS
C650	Chemical Resistance	No affect, 24 hour duration
C1027	Abrasion Resistance	Class 2, residential
C1378	Stain Resistance	No affect, 24 hour duration

GLOBAL PRODUCTS

As purveyors of fine tile, our expectations of quality and integrity are extended to ALL products that we carry. When a product cannot be produced in California, we carefully select and work with factories around the world to produce the best tile and stone for our customers' needs.

HANDCRAFTED CHARACTERISTICS

Variation in shade, color and size is inherent in these tiles and is one of the natural characteristics that defines the beauty of these tiles. The tiles finally purchased will vary from both the catalog illustrations and samples. See **Tech Info** at [sonomatilemakers.com](http://sonomatilemakers.com) for more information.

INSPECTION AND INSTALLATION

Always inspect your tiles before they are installed, as installation of material constitutes acceptance. Any questions as to acceptability must be resolved before installation. We are in no way responsible for the installation of our tiles or thereafter. The responsibility for correct installation rests with the end user.
